 - E.4. Annual DMAP workshop and annual report
 - G.2. DMAP cooperators should receive annual reports
 - G.5. Expand public education/outreach
 - H.8. Project results should be extended to the public
 - D.4. Implementation of a statewide DMAP program
 - G.1. Implement a Deer Management Assistance Program (DMAP)

Deer Management Assistance Program (DMAP) Action Team

May 18, 2013 Progress Report

- **General comments or considerations noted by the Team:**
 - DMAP success will be dependent on DMAP coordinator
 - An antlerless permit system should be part of DMAP, however, it should not replace the existing permit structure.
 - Annual reports, meetings, workshops, and public outreach will be critical to build support for DMAP and enroll new cooperators.
